THE SURVIVAL COLLECTION

AWARD WINNING PROGRAMMES

GENTLE JAWS

Throughout history, people have feared alligators and crocodiles. This film shows the alligator in a new light - as a gentle beast living out a quiet life in a magical environment, but under threat from pressures created indirectly by human demands on the water supply.

Filmed by Jeff Simon.
Produced by Colin Willock.

PITY THE POOR CROCODILE

The crocodiles and their close relatives the alligators, Caimans and Gharial have existed virtually unchanged for over 150 million years. But the future of these creatures is in the balance; of the 23 species of crocodile alive today, 21 are considered in danger of extinction.

Filmed by Jeff Simon, G. Dieter Plage, Mike Price, Alan Root, Cindy Buxton and Bob Campbell.
Produced by Colin Willock.

HERE BE DRAGONS

Our film-makers bring to the screen astounding footage of one of nature's most spectacular and awesome events as the African crocodiles stalk their prey that stop drink at the water's edge.

Filmed by Victoria Stone, Mark Deeble, Alan Root and Bruce Davidson.
Produced by Alan Root.
